

AKOMA Rites of Passage

Princess/Prince Application

Akoma Rites of Passage program is a journey for youth 9 to 16 years of age. The journey embraces the teachings for self-awareness and self-respect. The journey is approximately a 3 months cycle coupled with a mentor. Mentoring affords the young girl the opportunity to have some guidance from an outside individual who has her best interest at heart. The mentor can assist with the navigation of life, ideas and dreams. All mentors will have child abuse clearance.

The teachings will be from an Afrocentric perspective. They will be held weekly with a variety of topics, such as, but not limited to journaling, healthy living and relationships. The culmination of the Rites of Passage program will be a cultural trip.
